**REQUEST FOR PROPOSALS  
RFP No.: PSD 06-CPS/SA-26**

**Alternative to Incarceration for Female  
Offenders  
at the  
Hawaii Community Correctional Center**

1. On March 24, 2006, an orientation meeting was held at HCCC. While there were no attendees at HCCC, one prospective applicant did stop by the Planning, Programming and Budget Office in Honolulu.

The following are the questions presented and the State's responses:

Question 1: How many females are to be serviced?

Response: The number of female offenders participating in this program is dependent on the bed space available and the cost per bed day of the awarded Provider. Currently we have ten (10) beds provided in this contract.

Question 2: How long will be the term of residence?

Response: The number of female offenders participating in this program is dependent on the Provider's ability to provide a variety of services. Currently we have services for adult female sentenced inmates, including parolees at risk of violating parole, and/or pretrial detainees who are granted supervised release. Term of residence varies with need.

Question 3: Services—Will this be a continuation of a Therapeutic Community program or will the inmates be coming straight out of general population?

Response: See response to Question 2. It depends on the services the Provider can offer.

2. The following is changed for mailed-in proposals.

From: All mail-ins must be postmarked by USPS before 12:00 midnight, May 17, 2006.

**TO: All mail-ins must be postmarked by United States Postal Service (USPS) no later than May 17, 2006, and received within ten (10) calendar days.**
